OCHYA GIRLS' PARTY.

One of the most delightful dancing parties given during the Christmas holiday season was that of the "Ochya Girls," the leaders in Kansas City's social life among the younger set. The name of the club is of Japanese origin and reduced to English means everlasting. Its selection was prophetic for when it comes to being everlastingly original, everlastingly unique and everlastingly charming this club is everlastingly in the lead.

Every feature of the entertainment bore the stamp of originality. The invitation was a three fold folder with an envelope lap. The bid was printed on the center fold and to the right of it in Japanese type and in keeping Home Phone 5467 M. Bell Phone 4591 G with Japanese custom was printed the word "Ochya"; the top and bottom folds enclosed the bid and were fastened by a gold seal bearing the letter "O" thus doing away with the necessity for using the customary en-

velope. The program of dances was made up of sixteen numbers. In addition to fifteen of the latest and most popunumber, the Ochya waltz was fea-

About 250 guests were entertained by the club at this party and each person enjoyed themselves to the fullest extent. A notable featrue was the large number of out of town guests in casion. A partial list of persons in
